Neurosis-At the Well

Even in what I'd probably consider to be their weakest album beyond their first two (Which I never heard), it still has moments I find to be quite interesting.

Well, that whole thing was easy....All 4 of those were definitely more lackluster.

Still gave the a 7/10, though. But not interesting enough for me to really feel like listening through the entire thing again.

And done with the metal bands I needed to re-listen to!

Thin Lizzy - Cold Sweat

This is one of the most covered songs I have, I also got Sodom's and Megadeth's covers of this.

Devin Townsend Project-Heart Baby

RYM calls it "Ambient", which I guess is fitting to some extent, but I still feel like the guitar music has some "Progressive" feels to it.

Devin Townsend Project-Feather

Gonna sleep now. I could just sleep to this album, but...I don't do that anymore, and I kinda want to listen to it coherently.
