The Sith Empire is a force of dominance, an authoritarian state forged from militarism, slavery and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by trillions of loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. Aiming to take revenge on the Republic for its exile centuries ago, the Sith Empire will stop at nothing to become the greatest power in the galaxy. NS stats shot out of the airlock
