Where AN is from IRL? Spain, but it would be a bit too obvious guess. Perhaps Mexico, Greece, or Canada?

Seeing your nation so heavily based around a Swedish takeover of the UK makes me want to think Sweden, but Swedish people tend not to be too patriotic. Which means that you must live far enough away from either of those countries to facilitate that idea.

My guess is either The United States, Canada, or maybe Mexico given the few grammatical errors in your factbooks. Not meaning to be a grammar nazi just an observation.

(Edit: Changing the word "Mexican" to Mexico. I need to proofread more.)

I had a vague idea. I think you may have mentioned it somewhere, though I can't quite remember when.
