0/10 not scary at all :-)) I think the Union Jack is scary tbh because of its links to Imperialism...but I chose it because I was born in England, I didn't know how to change the flag but someone has kindly showed me how to do it so I might do it soon 😊

3/10. Ideals not bad, but the design...I'm gonna have to get myself a whole new pair of eyes...it's worse than that one Pocatello flag. Liberia's provinces are really slipping up here, they have competition!

Sorry my friend, even though I'm voting for Labour, I think The Conservatives will win because the main polls are showing that this is the likely outcome and Professor John Curtice from Strathclyde University has hardly or never got things wrong when it comes to polling predictions

8/10. The war-crimes of the USSR, the extreme imperialism of the British Empire and Communist China put together scares me.

The design suggests a militaristic pagan state like the Roman Empire. 7/10

Ew, it looks all christian and monarchist. 7/10, would nationbuild and strongly encourage to become a member of the Commonwealth some time after there aren't any more blatantly obvious totalitarian/communist/fascist/reactionary/just plain dumb hell-holes of countries left.
