Absolute monarchy that rivals Thailand's constitutional monarchy.

Old-style republic (like Venice and Firenze)

We stand not for kings and for lords, but against them. We fight not for race and oppression, but to smash them. We struggle to bring freedom back in the hands of the people, on the riverbanks, up in the mountains, and out on the sea.

The point is not to make a perfect world, just a better one - and that is difficult enough.
