Pull My Strings, Deceased Kennys.

pretty good even after the novelty has worn off

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

I really need to play this game, since we now own it. Great soundtrack on this game, especially one made by 7 people in their living room.
