Public ridicule, then a large fine for wasting the Fire Department's time.

Money laundering?

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Adultery?

Depends on the circumstances: Married but with no children? Divorce without option of requesting any kind of compensation.
Married WITH children? Depends on what the children require; for instance, if the children are 18+ and understand the circumstances then probably like in the case of marriage without children. If the children were too young to understand probably something along the lines of the cheating spouse having to give the cheated-on spouse some generous amounts of compensation.
Not married? The one that got cheated on can simply eject them from their property without option of compensation.

Underaged drinking.

Threatening pigeons with knives?

Symptoms: Degenerate cruelty, stupidity, knife crime.

Diagnosis: anti-social personality disorder as well as schizophrenia and/or intellectual disability.

Treatment: 1 months penal labour in Tibet followed by four and a half months suspended imprisonment on the condition of collecting taxes from strip club owners (considered too distasteful for regular tax collectors).

If someone die or be injured, the perpetrator would be guilty of homicide or assault, the punishment being one year to life in prison. If not, a gross disturbance of the peace, for which the punishment is one year in prison.
