Well, it's not like it's immediately after one, it's been several centuries.

You don't need to worry about being stabbed to death by a hobo when trying to take a shit, or becoming irradiated because you ate a twinkie.

This nation is mostly based on my RL opinions. And no, Pooshland is not a nation runned by a corporation.

We use *most* of our NS stats.

More likely yes than no.

Saarkon is Central-European-like social democratic federation, formed from small Slavic republics.

Equality! Liberty! Democracy!
Ravniče! Svobode! Demokratja!
Равниче! Свободе! Демократја!

I generally use NSStats. Except population. It's always 286 million. Saarkon is MT. Sorry for spelling mistakes, English is not my 1st language.

Currently this nation is under construction because I abandoned it for a year. Hopefully I will return to RPing soon.

Yes. They are closely emulating the industriousness of the Mistasi nation. Within 15-20 years, they are projected to reach our current level of development and idealistic advancement.
