Base (most of) your responses on NS stats since we don't have good factbooks yet. However, we do have an overview, a religious factbook (Vrarism) and a faction factbook, so be sure to read them.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

My friend, I believe that whatever you have experienced has at one point been experienced by me at a certain period of my life.

Not my first account (approx +200000000000000000000000000000000 to posts)

Stats don't necessarily reflect real views, just messing around with those
