Crime: Destruction of the Eternal Empire's former Capital World, Zakuul,. Hunting down and executing of Zakuulans. Systematic eradication of Zakuulan culture

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.

No penalty. We aren't THAT authoritarian.

Spying for a foreign nation?

Alternate timeline where the French Republic does an oopsie and gets booted out of the mainland to be replaced by the semi-fascist nation of the French Popular State.

Since that'd be considered high treason (if you're a citizen of Sandalos), then you'd be given a trial where you'll be judged by a jury and the full scrutiny of the law before being either executed or imprisoned indefinitely... however if you're *NOT* a citizen, well, you legally have the same rights as citizens, however don't expect to see tomorrow if you do get caught.

I presuming you mean a soldier murdering their commissioned superior, in which case, death by firing squad.

As a mayor, ordering the police to send illegitimate children back to their parish.

There are quite a few charges the mayor would be facing, first of all a direct breach of chain of command. While local civilian/political leadership can issue requests to the Miliz force, in the end they report directly to the Internal Affairs ministry and he has little to no rights to issue them orders. Second of all, the mayor would be charged with breach of duty, which is a way more severe offense and may land him up to 5 years in prison without parole.

Lol.  
Define 'suspiciously'.  
Animal abuse is looked down upon here, assuming the salmon was still alive.  
Punishment: whatever the people vote (no politicians exist in the wip Nivellnia lore), but probably community service.  
If the fish was dead, nobody really cares: have fun fondling your seafood.

Depends on the drug. Marijuana results in a sentence to a maximum security prison. Cigarettes, alcohol, and all other drugs will result in either 10 years in prison or a US\$1500 fine.

Desecrating an effigy of the nation's leader.

A short prison sentence, or a fine (depending on the material, time to create, and location).

-

An aristocrat or a member of the royal family starting a royal civil (succession) war that ends up getting 1/10th of the population killed and 4/10ths of the population injured in some way.

For you to be a part of the police force (Imperimagistratii Vex) in the Adunes, you'd need to be 18 regardless of gender or class.
