Sex Pistols - Problems

I did. 55 seconds of it. Until I read the lyrics.

It's a horrendous song.

I don't even need to read the lyrics, I can hear what they say anyways ☐

Impaled Nazarene - Zero Tolerance

DISCLAIMER: I'm not a homophobe, this song just happens to be good ☐

All "Zero Tolerance" makes me think of is shitty American zero tolerance laws in schools.

That's a horrendous song.

Meaning some of the best stuff out there *Nods*

Blackfield-End of the World

It's the end of the world

It's a prison for dreams and for hopes.
But still we believe there is god~

Take this pill
It will make you feel dizzy
And then give you wings.
Soon boy you'll fall into sleep.
Without nightmares
Without any fears.
if you wake up in hell or in heaven
tell the angels we're here.
Waiting below for a dream
Here in the garden of sin~

Everlast-Letters Home from the Garden of Stone

Cause I don't know the man that kills me
And I don't know these men that I kill
We all wind up on the same side
Because ain't none of us doing God's will~

Pharoahe Monch – Losing My Mind

*"[I'm]A clock without a minute hand
An hourglass without sand
Suspended within space and time
I walk a thin line
Amongst the masses all alone
A furnished house with no one home
I see through walls that's hard to climb
I'm losing my mind"*
