This is not Synchrotron's flag.

This is the flag of the "Studenten Exekutive" (student) something I came up with at a point where I felt I was too stupid to be on the forum.

After unfortunately being a greenfield I was making further measures to encourage myself to get rich.

Here is my actual flag:

A cartoon illustration of Snoopy and Woodstock on the roof of his doghouse. Snoopy is wearing a red winter hat with a yellow pom-pom and a red scarf. He is sitting next to a small, decorated Christmas tree. Woodstock is perched on Snoopy's back, also wearing a red scarf. The roof is covered in a layer of white snow, and the background is a solid blue color.

I'm in my kitchen cooking paella, listening to *Ambient 1 Music for Airports* by Brian Eno, and watching big fat bumble bees pollinating the blossom on my apple tree.

Just another surprising item on the bagging scale of life

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they

ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
