What Music Are You Listening To? Part 12

by **Minoa** » Sun Aug 30, 2015 1:58 pm

With the previous thread reaching the technical limit for pages, this is the 12th edition of *What Music Are You Listening To?*, where you can post and talk about the song/band/album you're currently listening to, for other readers to look up them and figure out what that song is about.

I cannot guarantee that songs posted here will be popular due to varying tastes of music, because one person may like classic and hate rock but the other may like rock and hate classic.

Also, if you are posting more than one song and you are still the latest poster, then you are encouraged to use the edit function so that this thread will hopefully last a bit longer.

At time of post, I other song I was listening to was:

Spandau Ballet - Communication

Previously in *What Music Are You Listening To?*

Vanadis - Falkenbach

Genre: Viking Folk Black Metal
Album: Ok Nefna Tysvar Ty

I have a hard time classifying Falkenbach between viking, folk, and black metal so I'll just go with all three.

Forever Your's - Nightwish

Genre: Symphonic Metal
Album: Century Child (Collector's Edition)

I remember back when I first listened to this album, I only knew one or two songs off of it but trusted it to be good, I knew it had to be. So I dedicated over an hour to just sit there and actually listen to it without anything else. I forgot which song it was because I stopped paying attention to what song was playing (taking the whole album in) but I got pretty teary listening to it.
