Brooo, good stuff.

The White Sea, The Sword.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Motherfucker=Redeemer (Part one), Godspeed You! Black Emperor.

Yanqui U.X.O is really underrated and I don't see how it's worse than the rest of Godspeed's full lengths.
