Right now. Not much we can do . government has been shutdown over the holiday sadly.

But canonically the business would shut down. Given people would go to the streets to boycott with Firearms so everyone gets paid appropriately and to a much lower cost. Without worrying about having to use 20 dollars for bread. Rather can use cents to buy the bread.

The government will root out such corruption if it is brought up.

Breaking into a bank. But Not Stealing anything.

Not a crime.

Following the an "crime", here is the next:

Communism?(or socialism)

I've killed over 75 million people, and if I have to, I'll do it again.
