I started seeing him a few days ago.  
Maybe it's more famous outside of the F7?

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

They've only just returned to F7. Not all that well known.

The nation? Obviously not known at all, as they are new.  
The user? Assuming that they are indeed Buhers, the user is especially famous across F7, and a little famous across general and in gameside. Now, perhaps a little famous in moderation.

Hi, I exist.  
If you think I care about (american presidential) politics you are sorely mistaken I like sirloin steak, which is obvious.  
This also isn't serious, and the factbooks, despite my nation name being on them, will be on the serious one when i get round to it... Till then, this is a placeholder.

Based on the displayed information I would say decently well known around the forum. Likely only within this area of the community though.

Very well known guy on F7, and in many of the RPs that they participate. Knows a lot about both hard and soft sci-fi, and is absolutely a good friend to be around.

I'm glad I'm still around to talk to them, though admittedly, I was a jerk to them a few times in the past.
