Market socialism is basically part of democratic socialism, I think? It's basically democratic socialism (democratic worker-owned business) with a regulated market. /skip

New Disease Found in Benghazi, Lybia

The panic over this news was both intense... *and brief, when it was swiftly discovered that 'Lybia' is in fact not a country and therefore wherever this disease is, it won't threaten the world at large.*

I love the serious humor found in NSAR. Even the signature. I always get a chuckle from their signature or factbooks.
