An autocracy of some sort. That dark colour palette really seals it.

This nation is based on (a slightly more extreme version of) my IRL opinions, and I answer issues accordingly.

Excessively bureaucratic democracy

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

I don't use NS stats. Look up "the United Kingdom" on Google to see my stats.

Constitutional monarchy

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
