I'm guessing well known, given the number of posts

Judging the number of their forum posts, they are very well-known. I cannot say they are not known because I have never seen them before.

Quote Well known

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.
