Tame Impala - *Breathe Deeper*

I decided to randomly listen to *The Slow Rush* because I was bored of listening to my Spotify playlist and getting the same 20 songs. All songs from that album are on that playlist apart from One More Year, Posthumous Forgiveness and One More Hour. This album feels ALIVE.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
