It's from his annual salary and welfare programs. The giveaway was funded by the Welfare Department.

It costed them 225,000,000 Notes or minuscule % of Palladion State GDP.

turn Agartha into a bastion of Christ.

I mean, not to get political or anything, but there's a reason we throw Christians and New Canaanites onto piles of tires and burn them alive. Imagine worshipping that bunch of nonsense and not worshipping the only true religion of the god Mars punishing the world for its decadence by cleansing it with hot, nuclear ass-blasting 200 years ago.
