The empty universe, realizing how lonely it is without everyone, decides to start over. It endures some technical difficulties, though, and explodes to create something new.

I **cannot** take any music later than 1980, with a few exceptions.

The gas station is used to steal all of the world's oil (secretly).

**Esthe wrote:**

The gas station envelops The Lunar Republic, then, realizing how amazing that felt, becomes hell bent on world domination.

OOC: How can a gas station surround the moon?

I say void.

Taiwan is a country, Tiananmen Square Protests happened, and free Tibet.
