The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.
