### Man realizes that the rest of Europe is revolting against Man's rule after putting so much effort into Russia

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

Man 2 (the Man that Supreme Man created) realizes that all of Europe is revolting against the all-powerful Supreme Man. And realizing that he has the power to help them defeat Supreme Man, he joins the rebels.

After a brutal war between the rebels in Europe against the forces of Supreme Man, the two Men duel at the Old Man of the Mountain on Cannon Mountain in Franconia, New Hampshire. They use their godly powers as they dash in a cosmic fight as they travel dimensions, reverse time, and brutally punch each other across the NationStates multiverse.

Supreme Man is furious and in a rage of fury and massive power he punches Man 2 through cosmic barriers and time. Man 2 realizing he's at the brink of defeat must act fast. However, his creator Supreme Man smashes his two fists and no-clips Man 2 out of reality into the Backrooms.

Man 2 regains his fists, and slowly takes over the Backrooms.  
For Supreme man, he makes himself Supreme dictator.

Named after cannons, Cannonio has a long history. You should like the detail put into it.

Supreme Man feels pity and sorrow as he realizes that his only friend is dead due to a feeling of dread and weakness inside of him.

In one final act, seeing how Man 2 dedicated himself morally to protect those below him, Supreme Man drains out all of his life force to revive Man 2. Man 2 is revived and in Supreme Man's final words he declares Man 2 to succeed him. Man 2 becomes Master Man.

Master Man watches over the NationStates multiverse as the successor of Supreme Man.

Supreme Man is ded.

Edit: I fixed the wording since it didn't make sense.
