...you gave *Strange Mercy* less than an 8?

And thanks...now I feel like listening to her.

I gave them all, except the newest, a 7.5/10. Something about them didn't quite fit into an 8 for me, but I keep finding them interesting enough and I keep thinking I might want to own them, so might as well bump them to an 8/10...

Still haven't done that with Birdy and Lorde, though, despite them having albums I want.

St. Vincent-Hysterical Strength

Damn, forgot how different this album is to Marry Me

Eh, even some albums I've rated an 8 aren't ones I'd actually want to own. Yet I have at least one 7 that I want to own... ☐

I still need to go through her first two albums...I've decided to keep track of all the albums I'm interested in by making a backlog list on RYM. ☐

Woah. This is one of the best doom songs I've heard in a long time. Blown away on first listen.
