The Lego Store manager gives the man two options; Leaving there with a Lego keyboard with all the keys so he can try to rebuild his life or a one-way ticket to Bosnia where he can commit Lego war crimes there.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.

The Great Kingdom of Merulla
the land of greatness from small beginnings
