Napoleon IV

Napoleon XIV is better. He died this year, on March 18th. Sad.

Milena/[New Lockelle's Democratic](#), borderline AuthCom nation

I know who New Lockelle is (our regions have embassies but they won't let embassy nations post), but who's Milena? The name of the user? If yes, I guess I'm not the only one who did a name reveal. If not, just to tell you that [Milena](#) does not exist.

Hello there. I'm Simonia of MJT.
Our nation has twenty-one provinces, four regions, and four capitals.
And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

Space fleet upgrade complete!

Great for Simonia! *Tap, Tap, Tap, is my microphone on?* Yes it is.
On whatever day in Simonia's history was sure a momentous moment
in their history, as their space fleet got upgraded!

This NS in a nutshell is an old global conglomerate from the 14th Century in an alternate history timeline with a bunch of wacky stuff: (1) Roman Atlantis [250 BC], (2) Arthurian Empire [500 AD], (3) Umayyad Constantinople [718 AD], (4) Slavic HRE [768 AD], (5) Early Industrialization [1190 AD], and (6) Mongol Europe [1245 AD]

Early industrialisation is not that far off, I'd say. The Roman Empire in its latter stages had begun to industrialise, but its fall and subsequent medieval religious persecution and lack of stability prevented further progress, sending humanity back, and back by quite a lot.

Khoikhoia • The Khoikhois Republic • NS Stats and WA resolutions were jailed for war crimes they committed from 1974 to 1991

Liberty, Equality, Union • Liberdade, Igualdade, União

"Land of the Adventurous" • Crime-filled alcohol-free Portuguese-English South African democracy weedfest, not too bad • Flag's not canon
Pinto da Costa, thank you for your service, but it's time for someone else now.
