8/10 black and orange coupled with a scary emblem doesn't bode well.

5/10, not super evil looking or anything but does remind one of several southeast asian dictatorships and thus still incites some unease.

Every symbol on this flag refers to the ancient Cycladic culture. No far-right sympathies.

That moustache alone is 6/10.

Add 2.5 for the square background and loud colours:

8.5/10

10/10

The whole flag alone is a 6/10, but then there's the symbol on the left side...

Edit: I can now see what it says at the bottom of the flag so actually a 6/10.

Considering the fact it has an unironic Fasces in the flag, without any other noticeable roman symbolism, I will have to give it a 8/10

Its a good design but the colors clash way too much. Maybe lower the saturation a tad and lighten up the blue to make the values clearer.

Whoops wrong thread!

I'd say that that's probably a 4/10 evilness factor. Not evil but it could potentially be used for an evil nation.
