BREAKING NEWS: In a surprising shift of morals, Mary Rothberg stands with #FixTF2. Four bot hosters have already been killed and one critically injured by Merryman-backed vigilantes. "SET THIS BLOODY GAME RIGHT OR WE'LL DO IT FOR YOU!"

TL;DR 'we live in a society'-type international nihilist anarchist terrorist group evolved from a street gang in London that embraces violence, detests conformity and the law, and pride themselves out of committing crimes, getting into mischief and acting out their most depraved and extravagant desires in order to bring about the downfall of society... just for a bit of fun.
