6/10. I'm intimidated, but I don't think the AN is actually evil. Mischievous, perhaps.

4/10. This flag looks sweet and friendly, but I feel like it could be very powerful in a crisis. A "still waters run deep" sort of thing.

A good 6/10, it gives off an imperialist kingdom feel, and the dark brown really helps with evilness.

Like a 2/10, the pink and yellow are somewhat disarming and the royal seal doesn't really add anything threatening to the flag.

Hmm...3/10, the dark red on their flag makes them a little bit intimidating but that's about it, nothing really evil about them.

9/10

Color scheme, and I can't see red very well so their flag is nearly all red to me.

Have I been here long enough to be considered an NS elder yet or no?
