Why Not Me - The Judds

For 400 bucks you were sweet that day. Guess I should have known you'd never repay.

People In The Swamp by Gods Tower

Love this band, am I'm thrilled they have a new (to me) album out! Tracking it down now. Found a few copies on ebay, but they're all from Eastern Europe, and I generally try to avoid ordered from that area...suppose I could give it a go.
