The individual would have to serve jail time but it would be lessened due to the nature of the individual being murdered, because it is still murder which is still illegal.

A hefty fine + closure of the restaurant and loss of trading license. (You need a license to be able to sell food in the first place, which is subject to regular inspections.)

Varies. Other Merry-men will likely attack you if you kill one of them, but if you're murdering a non-Merryman, you'll get a few cheers, a round of applause and quite possibly even a pat on the back.

Jail time for a LONG while... we would not straight up torture or kill them, we aren't that bad. But we are still totalitarian, and making fun of Hvore is a big no, no.
