The Commonwealth of Waffland
Waffland, the land of the Waffles

All NS stats and policies (except for no divorce, prudism, and no sports) are canon

Class 3 according to **this** index

This nation (somewhat) reflects my irl views

Waffles will always reign as the superior breakfast food!!!

All factbooks are currently being moved over to a website instead, so please do not mind the grammatical errors and low-quality of them for now; they will be fixed (and also likely revamped)

Wrong, but Waffland is BN.
