U.S.S. UNITED STATES (CVA-58)
"GONE, BUT NOT FORGOTTEN"

Intended as the first of a new class of "supercarriers" for the United States Navy under the administration of President Harry S. Truman. Her design was notorious for lacking an island superstructure and its unconventional deck layout, which would not be seen in the succeeding Forrestal-class.

In 1949, only five days after United States' keel was laid down, she was cancelled by Secretary of Defense Louis A. Johnson as part of a campaign to cut down the naval budget and advance the development of airborne nuclear deterrence via long-range bombers.

Study shows country's poverty has been decreasing by, on average, 10% every year for the last 10 years

Or in other, more comprehensible, words, you've decreased poverty by almost two-thirds. Not bad.

Khoikhoia • The Khoikhois Republic • NS Stats and WA resolutions were jailed for war crimes they committed from 1974 to 1991
Liberty, Equality, Union • Liberdade, Igualdade, União
"Land of the Adventurous" • Crime-filled alcohol-free Portuguese-English South African democracy weedfest, not too bad • Flag's not canon
Pinto da Costa, thank you for your service, but it's time for someone else now.
