Based on the flag, what government type does the AN have?

by **Aikoland** » Mon Dec 31, 2018 12:12 am

The title basically explains the game but I have to type something here, just look at the player above you's flag and guess what government their country has.

Facist Dictatorship

A civilization with an over 3,000 year history of lizard people killing each other and enslaving everyone else. Now they've finally calmed down and formed a modern westernized constitutional monarchy. (long live Emperor Yoshio!)

Note: Any factbook entries over a year old are severely out of date and may be subject to extreme revision and retconning soon. If you have questions on anything about Ru, please feel free to ask.
