Up to Seven years imprisonment and/or a fine. Those over sixteen (girls) or eighteen (boys) must be incarcerated for at least one year.

Killing women aged 18-58 but the specific women are evil according to the state religion (if YN has one) or YN's traditional culture (If it doesn't).

.... still murder.

In actual IC Jedinsto (meaning I am a WA member) that would be 20 years to life depending on pleas and stuff, and in the world I built in my head that Jedinsto is based off of, it would be between 20 years and a death sentence.

Heavily fined for owning an automobile.

Dismemberment of an automobile that doesn't belong to you.

You're welcome to telegram me any questions you have of the game. Unless I've CTE'd (ceased to exist) - then you physically can't do that.

Presuming adulthood, the punishment for shooting up a school is death on most planets. The only exception being Earth, where ironically, the most attacks on schools happened. It just never seemed to happen on other worlds. For Earth, it is nation-based. Most nation consider mass murder to be a different crime from regular murder, and will typically sentence the shooter to life in prison. The exception being the US States of Texas, Florida, and Arizona along with the countries of the United Peninsular Republics, China, Russia, Japan, Poland, and Zimbabwe. Who will all execute the mass shooter.

Being from the US state of Florida?
