Friends of Dean Martinez-Dusk

After one more song, this will be 7 albums since I woke up. Not bad. really.

Hopefully I will finish this band tomorrow. Their albums seem pretty average sized.

Friends of Dean Martinez-Departure

This band really does have a nice sound to them. They're a pretty chill band, as well, though in a different sort of way than Lanterna is.

Over 27 minutes, the best track of the album.
