Somewhere in the midwest United States.

The Abandoned Coca-Cola Headquarters in Atlanta, GA

After yet another generic zombie apocalypse broke out and overwhelmed the world, a group of Atlanta survivors found salvation and safe-haven in the old headquarters of the **Coca-Cola Company**. From there, they've created a **rudimentary small-scale society**, based on **barter**, **Coke consumption** and **firearms**. Baking in the **hot Georgia sun**, and their only respite and refreshment being various flavors of carbonated cola, they've also gone **slightly insane**. **React accordingly**.
