I understand the point you are coming from. Very valid. My original thinking was that me saying "never seen them before," kind of shows that TO MYSELF they aren't known well. Now, looking at that again, that makes no sense!

thank you for pointing it out!

Considerably known here in F7, though if I may say so, it's not exactly for the best reasons...

LUI would probably only really be known to the average F7er for the Three Word Story thread, and only well-versed F7 users would have probably seen and remembered them elsewhere on the forum. In TSP however, they are white well known, on both the RMB, likely the forums, and maybe the discord, but I'm not on it, so I can't be sure. They also may be a little known on forums outside of F7

Ninja'd thrice

Not really well known on the forums yet, but based on RMB posts, they may be possibly decently known in their specific region
