Huh, 3 of 4 of these guys albums have a 3.51/5 rating on RYM.
That's a weird coincidence.

Oh yes, just great... ☐

It started out pretty good, and just went downhill afterwards...

Los - Hard Life

...I think I'll be just skimming through the rest of it.

I'm pretty much skimming through a bunch of EP's still.

It would be totally awesome if I like, finished all the EP's before I leave, too. Doubtful, but...

Olafur Arnalds-Near Light

I would imagine you have too many to do that. ☐

There...skimmed through an hour long mixtape. 5.6/10 (because it sucks too much to be a solid 6 but not enough to be a 5.5 or lower ☐).

Lil Durk - Picture Perfect

Another mixtape I skimmed through because it sucked. This song, however, was pretty good.

I actually don't have nearly as many EP's as I do albums. Maybe 100

EP's max. I'll check after I go through them.

And I actually rated a compilation album a 5.5/10 earlier that I went through quickly...3rd 2.5/5 rating on RYM. I don't go through crap often so I don't rate things that low often ☐ Though there are a couple of things I re-skimmed through I might bump lower because of how damn booooring they were.

The National-Demons

I'm going through an awkward phase. I am secretly in love with everyone that I grew up with~

Lyrics in this song makes me think of some schizophrenic person that's hallucination.

Passing buzzards in the sky. Alligators in the sewers~

Sparklehorse-Happy Man

I woke up in a horses stomach one foggy morning~

Wut

All I want to be is a happy man~

Lyrics are kinda sad since the guy behind this project committed suicide....
