No, definitely not, for a number of reasons:

- As an apatheist / atheist wouldn't be welcome there and would likely be lynched or tortured; its faith-based policies are very, very off-putting
- I don't approve of such tyranny where the monarch rules absolutely with no checks and balances, especially when that monarch could commit crimes without any punishment
- The culture itself is not to my liking

No, just no.

The Confederacy of Mar-Sara, based off the planet and Confederacy from the popular strategy game "StarCraft", before you start asking, no we do not own slaves, our flag has a different design and meaning compared to the other one. We don't use NS-stats, they wouldn't work with our nation.

You use a variant of the Confederate flag so I guess YN is not a fan of tropical people. Nor is East Kekistan. In fact we are detropicalizers.

If you are assuming we are racist then I'm deeply offended. The flag I use is based off the RTS StarCraft, and the meaning of this flag is totally different in that game than what it means historically.

Sure. Why not?

In a broken world after a disastrous WWII using nukes, AI and ethnobioweapons in 2058 that wiped out all humans but blacks, a group of determined merchants and their allies decided to stop the collapse of civilization. They established the Enugu League and later the Onitsha Empire. Under the guidance of leaders such as Joseph Ijeawele, Jessica Udene and Victoria Machie they struggled very hard to resist decline at all costs..

This year was 2091. The disastrous Teen Rebellion caused by Jonah Nyagura and Juliet Udene's disastrous education policies entered its eighteenth year. Jessica Udene, now the queen, was desperately negotiating with rebels. A daughter of a prominent business owner, Victoria Machie, just became the new Minister of Defense, succeeding Nyagura ally Emmanuel Nduka...

- Because the people are still deprived of basic human rights such as healthcare, food, and housing.
- Because the most hardworking members of society are uncompensated or compensated unfairly.
- Because capitalist-imperialist countries continue to leech-off countries of the Third World.
- Because most of the underdeveloped world are starving *because* of the introduction of capitalism.

It's abhorrent that this even needs to be explained.

Anyway for AN, no. N*zis burn in hell.

No. Too authoritarian for my tastes.

Based on the real life nation called Free Territory. Since I am too lazy/procrastinating to do dispatches and info on it, here's the wikipedia article about it: https://en.m.wikipedia.org/wiki/Free_Territory
