Probably? ☐ I can't say I've ever been depressed by a Sabaton song. Even the gloomy ones like The Price of a Mile tend to just pump me up.

I forgot to add that it was not depressing. I thought there is something moving in that song. Maybe it has something to do with the case that I have served in military (former conscript). ☐

"World" - Gigantic Brain

I love this album so much. Ambient soundscapes and grindcore shouldn't go together so well...

Are these "human rights" in the room with us right now?
