CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

King Crimson - [Starless](#)

I actually like the *Radical Action to Unseat the Hold of Monkey Mind* version better than the *Red* version, but that just could be the result of King Crimson being one of the most phenomenal live bands ever. The guitar and saxophone come through more vibrant here.
