Fairly well known, I suppose. A frequent flyer to Forum 7.

Through a haze of green and white fog and the sloshing of the Pacific Ocean on the sides of your wooden sailboat, you lay eyes on a mystical island full of creatures living in a medieval society in harmony with both nature and progress formed a millennium ago and kept moving forward by new human residents every couple years. New human residents quite like you.

Fairly recent but active F7er. Known around these parts, maybe not so much elsewhere.
