why you should join the monkeys

1. you get to touch grass I know you get to beat: try to touch grass 99% challenge impossible

2. your iq increases rapidly why? easy is because humans are social animals and 1 person's iq is a lot smaller then 10 peoples iq combined

3. is monkeys are cool

AAN: Pretty well known on some RP circles I believe, and of course, in most casual discussions around NSG. I can vibe with that, for the non-political talk. <3

AN: First time seeing them around, so... Maybe they will be well known more often soon.

Well, they were made today, have no original flag, and I've never seen them before.

So, nobody knows them. Completely unknown.

The Kingdom of Frisemark

"From this day forward, I shall take up all the empire in my embrace. For I am father of the empire, as I am father to all creation. I will suffer no tired institution nor petty bureaucrat to stand between me and my children. I am the perfect loving god, and all will tremble to know me."

Denmark and the Netherlands had a kid, and it loves the color blue.
