I've seen them many times but I'm not sure how many others have seen them.  
I would say they are the process of being known.

The first part of the text discusses the importance of understanding the context of a document. It mentions that the context can be either local or global, and that it is essential to consider both when interpreting the text. The text also notes that the context can be used to identify the author's purpose and to determine the document's main idea.

The second part of the text discusses the importance of understanding the structure of a document. It mentions that the structure can be either linear or non-linear, and that it is essential to consider both when interpreting the text. The text also notes that the structure can be used to identify the document's main idea and to determine the author's purpose.

The third part of the text discusses the importance of understanding the content of a document. It mentions that the content can be either factual or opinion-based, and that it is essential to consider both when interpreting the text. The text also notes that the content can be used to identify the document's main idea and to determine the author's purpose.

The fourth part of the text discusses the importance of understanding the style of a document. It mentions that the style can be either formal or informal, and that it is essential to consider both when interpreting the text. The text also notes that the style can be used to identify the document's main idea and to determine the author's purpose.

The fifth part of the text discusses the importance of understanding the audience of a document. It mentions that the audience can be either general or specific, and that it is essential to consider both when interpreting the text. The text also notes that the audience can be used to identify the document's main idea and to determine the author's purpose.

The sixth part of the text discusses the importance of understanding the purpose of a document. It mentions that the purpose can be either to inform, to persuade, or to entertain, and that it is essential to consider both when interpreting the text. The text also notes that the purpose can be used to identify the document's main idea and to determine the author's purpose.

The seventh part of the text discusses the importance of understanding the source of a document. It mentions that the source can be either reliable or unreliable, and that it is essential to consider both when interpreting the text. The text also notes that the source can be used to identify the document's main idea and to determine the author's purpose.

The eighth part of the text discusses the importance of understanding the date of a document. It mentions that the date can be either recent or old, and that it is essential to consider both when interpreting the text. The text also notes that the date can be used to identify the document's main idea and to determine the author's purpose.

The ninth part of the text discusses the importance of understanding the location of a document. It mentions that the location can be either local or global, and that it is essential to consider both when interpreting the text. The text also notes that the location can be used to identify the document's main idea and to determine the author's purpose.

The tenth part of the text discusses the importance of understanding the format of a document. It mentions that the format can be either print or digital, and that it is essential to consider both when interpreting the text. The text also notes that the format can be used to identify the document's main idea and to determine the author's purpose.

The eleventh part of the text discusses the importance of understanding the language of a document. It mentions that the language can be either English or another language, and that it is essential to consider both when interpreting the text. The text also notes that the language can be used to identify the document's main idea and to determine the author's purpose.

The twelfth part of the text discusses the importance of understanding the genre of a document. It mentions that the genre can be either fiction or non-fiction, and that it is essential to consider both when interpreting the text. The text also notes that the genre can be used to identify the document's main idea and to determine the author's purpose.

The thirteenth part of the text discusses the importance of understanding the topic of a document. It mentions that the topic can be either broad or narrow, and that it is essential to consider both when interpreting the text. The text also notes that the topic can be used to identify the document's main idea and to determine the author's purpose.

The fourteenth part of the text discusses the importance of understanding the author of a document. It mentions that the author can be either known or unknown, and that it is essential to consider both when interpreting the text. The text also notes that the author can be used to identify the document's main idea and to determine the author's purpose.

The fifteenth part of the text discusses the importance of understanding the title of a document. It mentions that the title can be either descriptive or non-descriptive, and that it is essential to consider both when interpreting the text. The text also notes that the title can be used to identify the document's main idea and to determine the author's purpose.

The sixteenth part of the text discusses the importance of understanding the abstract of a document. It mentions that the abstract can be either present or absent, and that it is essential to consider both when interpreting the text. The text also notes that the abstract can be used to identify the document's main idea and to determine the author's purpose.

The seventeenth part of the text discusses the importance of understanding the keywords of a document. It mentions that the keywords can be either relevant or irrelevant, and that it is essential to consider both when interpreting the text. The text also notes that the keywords can be used to identify the document's main idea and to determine the author's purpose.

The eighteenth part of the text discusses the importance of understanding the references of a document. It mentions that the references can be either present or absent, and that it is essential to consider both when interpreting the text. The text also notes that the references can be used to identify the document's main idea and to determine the author's purpose.

The nineteenth part of the text discusses the importance of understanding the conclusion of a document. It mentions that the conclusion can be either present or absent, and that it is essential to consider both when interpreting the text. The text also notes that the conclusion can be used to identify the document's main idea and to determine the author's purpose.

The twentieth part of the text discusses the importance of understanding the overall message of a document. It mentions that the overall message can be either clear or unclear, and that it is essential to consider both when interpreting the text. The text also notes that the overall message can be used to identify the document's main idea and to determine the author's purpose.
