"Am I really late to another meeting? Man, this whole time zone switch is messing with my schedule."- Me After Seeing Primary Banner

QUOTE

Kabzeel, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-*

marxist)constitutional monarchy with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "Royal Socialism", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.

AN: Women.

Lots of war-time shenanigans and hijinks.

Yama-no-Kami (ヤマト) is a small, yet prosperous, vassal to a powerful *daimyo* in a land based on the *Sengoku* era and Japanese myth. Its ambitious leader, Lord Gyoubu Amiyaga, rules with a firm, but even hand, waiting for the opportune moment to free himself from the chains of servitude and bring Yama-no-Kami the independence and honor it deserves.
