Europe - Danger on the Track (Live)

The Final Countdown (album) has so many songs better than the title track.

Eyvind Kang-I Am the Dead

Listening to a bunch of albums today I know really well from my childhood. Ah, memories.

Loved this stuff when I was a kid, still do now. I thank my parents for sharing music with me that was so unique and experimental. Opened my mind to music like I do today, and I think everything in general.

Eyvind Kang-Marriage of Days

This was probably my favorite song when I was like....8...or 9. So pretty much shortly after the album came out.
