Their Happy Thanksgiving Flag is hilarious! 😄

But on a serious note, I'm quite surprised that Yugoslavia has a monarchy again. From what I read about Croat-Serbian history, finding a suitable monarch to equally rule Croat and Serbs is not quite that easy. 🤔

Check my founding date if you'd like. So next time maybe you won't act like your some NS legend that has all the power.

You're only 3 months older than me, and, based on your post history, *much* less active. In fact, I have made 14.71 times as many posts as you, I don't even remember seeing you before today.

The Necunian League originally started out as a defense pact to combat the Capthorite Empire. It ended up eventually taking over the old heartlands of the Capthorite Empire sometime after it collapsed in the 15th century.

They are a monarchist America that went through with the very crazy but very real plan to crown a Prussian Prince as King of America.

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

I've learned that despite the themes and the looks of a rather "ancient empire", they actually have a huge and bustling IT industry, and they have put quite a lot of priority in setting up and developing these IT companies.

Also of note is now the currency is more or less the same as pi.

In a broken world after a disastrous WWII using nukes, AI and ethnobioweapons in 2058 that wiped out all humans but blacks, a group of determined merchants and their allies decided to stop the collapse of civilization. They established the Enugu League and later the Onitsha Empire. Under the guidance of leaders such as Joseph Ijeawele, Jessica Udene and Victoria Machie they struggled very hard to resist decline at all costs..

This year was 2091. The disastrous Teen Rebellion caused by Jonah Nyagura and Juliet Udene's disastrous education policies entered its eighteenth year. Jessica Udene, now the queen, was desperately negotiating with rebels. A daughter of a prominent business owner, Victoria Machie, just became the new Minister of Defense, succeeding Nyagura ally Emmanuel Nduka...

Their flag was first raised in 1991 during the Declaration of Pan-Asiatic Sovereignty, held on two occasions; in Beijing and Neo-Manila. Generally, States adapt their own flags; thus the Oriental Standard is used when there is a presence of Federal authority, such as in State of the Nation Addresses and international summits.
