Wonder if I should rewrite this in Altglish based on recent retcons. Probably not

I mean, Altglish/Anglish is for sure fun, but honestly I prefer English in most cases. Makes things a lot easier to understand when I don't have to dig into footnotes in order to tell what someone's saying.

Wait... whats altglish? Is that the alternative to English? Is it a language you made up? I'm confused 🤔

“

NS stats didn't respect the wildlife and got mauled.

Well, if stats did disrespect the wildlife, I guess I'll let it slide this one time. But stop mauling stats!

(Yeah this is 90% of why I am not sure if I want to rewrite this. Well, other than it being a massive undertaking and me being quite likely to just retcon everything *again* somewhere down the line) /skipme

Honestly, same question, for both you and me

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation

Disseminating a corrosive ideology amongst the corrupt Cygnus Federation  
Piracy since even before founding, nothing says good times like space scurvy  
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself

This ain't my first NS rodeo
